May 1st, Thursday at 8:45 A.M meet at Museum to show Final Presentation.
May 2nd 4-7pm Capstone Night (might use projects from this class)
May 5th, Self-Evaluation and Group Evaluation due Monday of Finals week

-VIDEO PROPOSAL-

- Must have Video Demonstration.
- 2-3 minutes
- Both of Mike's NMD 306 Classes will be there Thursday.

-PAPER PROPOSAL-

- 8 pages long
- Four Copies
- Finish It.
-

-SELF AND GROUP EVALUATIONS-

Mike said if our group says, "everybody is great," he'll know that's bullshit...
Mike asked: "Signed up for Capstone?" (No one can sign up, cause Susan needs grade for 306)
Due Monday May 5th/FINALS WEEK

SCRIPT-SHOTLIST-REHEARSE

Kids don't know enough about Navigation.
We chose virtual Reality because it relates to their use of technology.
The Omni Treadmill gets kids Moving.

How are we going to Show our Project to the Museum on Thursday?
Green Screen User, showing 3-D Space around them (AfterEffects). Voice-Over in iMovie. -OR- Screen Split User and Unity Game, with voice over narration.

-OTHER-

Back-Up Your Computer: Did you know you can buy 50 G Storage Space, for 99cents?
